

Privacy Notice

At **Radioshed Productions**, we are committed to maintaining the trust and confidence of our visitors to our web site and subscribers to our syndicated radio programmes. Here you'll find information on how we treat data that we collect from visitors to our website, or when someone subscribes to our programmes.

Visitors to our Website

When someone visits www.radioshed.org we use a third-party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.

If we do want to collect personally identifiable information through our website, we will be up front about this. We will make it clear when we collect personal information and will explain what we intend to do with it.

E-Mails

As part of the registration process for our syndicated shows, we collect personal information. We use that information for a couple of reasons: to tell you about stuff you've asked us to tell you about; to contact you if we need to obtain or provide additional information; to check our records are right and to check every now and then that you're happy and satisfied. We don't rent or trade email lists with other organisations and businesses.

You can unsubscribe to emails or our distribution service at any time by emailing us here at Radioshed Productions - studio@radioshed.org
